With revolutionary age-defying nanospheres that quickly penetrate into the skin to lift and smooth wrinkles, lasting the entire day! With continued use, the age-defying peptides and antioxidants in Refill Wrinkle Filler improve the look of skin.

## Description

### Product Description

#### Refill Wrinkle Filler (15 ml)

**Refill Wrinkle Filler** works in minutes and lasts for 6 – 8 hours. And when used daily, over time will provide long term collagen filling. This non-injectable wrinkle filler provides extraordinary smoothing and skin tightening with rejuvenating peptides and antioxidants. They include skin firming DMAE, skin-smoothing Retin A, vitamins E and C rejuvenate and brighten skin, hyaluronic acid hydrates plumps and hydrates skin. The age-proofing nanospheres in Refill Wrinkle Filler quickly penetrate into the skin to lift, smooth and tighten in just minutes.

The beauty of our wrinkle filler is that it is effective for both short and long term use. After 30-45 days use, (both day and night), the active ingredients provide long term collagen filling; *Matrixyl® peptides, DMAE, retin A, hyaluronic acid and vitamins C and E* are clinically documented to rejuvenate, repair, hydrate and brighten skin and smooth out wrinkles. Matrixyl is clinically documented to stimulate collagen over 350% and hyaluronic acid production over 250% and helps to thicken and brighten the skin.

### Directions

Use it day and/or night under your favourite moisturizer or serum.  
See more user details below:

**Morning:** After cleansing and toning skin, apply a small amount onto lines and wrinkles under eyes and on crow's feet, forehead, frown lines between brows, marionette mouth lines and nasal labial folds. After five minutes the filler will turn white. Simply brush off any loose white powder flecks and apply a hydrating moisturizer on top. Next apply sunscreen such , then makeup.

**Night:** After cleansing and toning skin, apply a slightly more generous amount than used in the morning -on all lines and wrinkles. Then, top with your favourite night product (peptides, antioxidants or Epidermal Growth Factor creams) and leave on overnight.

For all skin types including dry, mature, wrinkled, sagging or sun-damaged skin.

**Active Ingredients:** Matrixyl, Hyaluronic acid, DMAE, Vitamin C, Vitamin E, Retin A, Aloe & Allantoin
